

Net Price Calculator Master's Degree (MTS)

The Net Price Calculator provides an estimated cost of attendance and financial aid for **first time, full-time, master's degree students**. The estimated values produced are **not** the actual amounts that will be offered in your final Financial Aid award.

As these costs are only estimates, individual budgets may vary considerably. We recommend that each student create a personal budget using actual or projected costs to estimate one's budget and financial need most accurately.
